matter was disposed of by him, and stating that needful orders have

Letter No.D.1 Dis.242/23-24 dated 24th June 1924 from the Deputy Commissioner, Kadur District, to the Muzrai Commissioner in Mysore.

"With reference to the correspondence ending with your letter No.C.255/23-24 dated the 20th November 1923 regarding the alleged attempt at disposal of certain lands by the Swamigalu of the Sri Hariharpur Mutt under the Government management, I have the honor to state that I have fully enquired into the matter during the Jamabandi and my subsequent visits to Koppa Taluk and that in my opinion the joint recommendation of the Amildar and the Sub Divisional Officer, Tarikere, already reported to you in this office letter No.H.C.137/23-24 dated 21-10-23 is a satisfactory solution of the case taking into consideration the interests of the Mutt as well as the equities in favour of the lessees who have been in long possession of the --- lands. The question of the dispossession of the occupant of Survey No.101 had once been considered so far back as in the year 1912 and it was then decided that the matter was one for settlement by mutual consent of parties. The sale of the lease right of which the --- present persons in possession object, should therefore be cancelled. As this is not an opportune time to re-open the question, it will be further taken up and attempts will be made to revise the sutta -- amount which is rather low, by compromise, later.

2. As regards the other lands which have not been sold, it may be pointed out that some of the present lessees have suffered loss owing to flood damage. I am given to understand that, if they --- should give up the lands many of them will have to remain bunjar for want of suitable cultivators.

3. Parameshwara Chetty, the lessee of Survey No.5 & 6 could not raise any crop on more than three-fourths of the land under his occupation and in his case as recommended by the Amildar, a remission of 2 candies of paddy out of 103 due has been granted and reasonable time

allowed for the delivery of the rest of the Gutta.

4. In these circumstances, I have issued orders to the Sub-Division Officer, Tarikere, cancelling the sale of the lease-right of Survey Nos 101 held by the Amildar and have requested him to have a written agreement executed from the parties in possession of the remaining Survey No as already recommended by him."
